☆ちっちゃい男の子は・・・！

On the morning of my 11th birthday, I received a package in the mail. When I opened it,

There was another box like the box I had opened.

I found that the next box was made of stone.

I opened it and I found a steal box in the box.

When I opened it, there was an extremely small person.

He said "Hello!" with a smiley face.

But he had a dirty face. I hated it. So I kicked him.

In the end, surprisingly, the tiny boy became as large as I was. He thanked me very much. Now he is the biggest person in the world. (It's a secret that I kicked him over and over again!)
